Larry -

Hope your recent trip to St Thomas was enjoyable. Following up on two items:

- We sold Spey engine #8521 (installed on buyer's aircraft) and still have #8520 available
- Owner of Gulfstream IV 1062 (Gillespie Field - San Diego) this week reduced asking price **\$1MM** to **\$6,995,000.**

Please let me know if you need any additional information.

Best regards,

John
