Hi

It was good briefly (very) speaking this morning.

Please have Maxim reach out to me via email. If possible have him send me a resume. We will do our best to make it the best learning experience possible for him. Based on what he does and doesn't know we may recommend some pre-start reading for him so his learning curve is not as steep when he gets here.

If you are around late summer or September lets catch up then in person.

Best
