Subject: request from JE

Leon called me a bit earlier as he was headed into a meeting with Josh & Marc checking that I was in the loop and whether it looked ok for us. The need for this to be done via a regarded entity is not to be taken lightly in terms of implications for all our trusts especially given the operation we have under way. Sorry to disturb you on your trip but please respond at your earliest convenience to request below. Leon is meeting with Jeffrey tomorrow down there. Thanks.
