that is not true - all i have is monthly statements from rothstein billing
i have asked for a statement of account to see how you came to your 220k number as my figures do not agree
all i continue to get is nasty emails on why we have not paid balance
just so you are clear i do not release any money on jeffreys behalf to any vendor without proper backup

Lilly,

I would be happy to speak with you however i have been asking you for two weeks (see email traffic below)
for a statement of account (attached PDF)
It has become apparent why you chose not to send as you misapplied money we sent for rothstein to other
matters where balances were resolved with July & Sep payments

if that is your accounting then you misapplied our payments made on July 5th for 450,000 and on Sep 15th for
100,000 and Sep 22nd for 140,000

can you send me an analysis of how these payments were applied by your accountants as that does not agree to my records
thank you

Do you have the sept, oct and nov invoices? Do you have hard costs invoice? All have been sent repeatedly. When you total the 4 you are at 200k. Then we have remaining 20k from summer bills which remained outstanding. I don't understand what more breakdown you need

Lilly,

I sent you an email on December 15th (see below) asking for summary of your figures..
I still cannot understand your outstanding balance of 220,552.89.
Please send a detailed breakdown of how you came up with that figure.
Thank you.

Richard
I am getting ready to go out of the country this afternoon. (Jee knows this)
You have invoices from sept, oct and november plus hard cost invoice.
In addition, as you know, there was outstanding 20k from summer bills and discussions after we knocked off over \$30k for "not to exceed" issues.
Moreover, you all have had bills for months with plenty to time to object to early ones and no one said a

word--

Please let me know your concerns and I will try to address via email.
