Hi Jeff

Fascinating. We're just in time.

In Barcelona Reporty guys met with Microsoft, Siemens, GE, IBM as well as with the CTO of NYC who loved the system. Also senior homeland Security official from India.

I'll call you tomorrow from NY.

Probably I have to meet with Wheeler (FCC Head).

I'm going to meet a in NY tomorrow the CTO of the FCC

(A computer sciences Prof. From Columbia, named Henning Schulzrinne or something similar).

We want to put him on our advisory board.

We were also approached by Henry Sweica (Glen Dubin's former partner) and his son.

They're interested in investing in Reporty. I'll probably will meet one of them this week as well.

Think actively what else should we do re this.

Best

EB
