To pay remaining value of the shares ,

As to finance operations we borrow locally in local currency

For buying the shares it has to be transferred in foreign currency into the country

It is the only cigarette factory in ethiopia with a population of 85 million people -
It was incorporated in 1946 as the imperial tobacco factory with full monopoly to import, manufacture , market and also grow tobacco leaves -
The company was transformed into a joint venture company in 1998 , and a ten year monopoly was given - the company now is called national tobacco enterprise Ethiopia - as a joint venture between govt . And sheba investment company (belongs to m y group) In 1998 we bought 22.15 percent and two months ago increased it by another 38 Perct. Now we are 60 percent And govt. 40 percent and monopoly was renewed -
We now producing five billion sticks of cigarettes and intend go to ten billion within two years time -we have been allocated a new plot double the size of our present site 42 hectors) to move the production gradually
We also market all international trade marks like Marlborough , Rothman . Etc
As a monopoly tobacco factory -
Our shares value at par is 100 million usd paid -
Market value of our shares 270 mill. Usd
