Good Day Ann

The fiber guy ran into a hard obstruction in the conduit the regular snake is not moving it. Tomorrow at 9:00 they will walk with their 2000' auger tip snake to clear the pipe; pull through the new fiber splice and fuse to existing fiber.

Regards
JRuan

Good day boss,

Terrence will be available to come on site see why five palms has no internet, and I have the fiber guys coming with equipment to trace the fiber for flag pole fiber and repair it. I coordinated everyone for 2:00 at Red Hook.

Regards
JRuan
