I put a all into a friend who is a dentist who is on the board. He is in surgery but will call when he gets out on his way to the airport. Ms. George did not know much.

With warm regards,

Cecile

Hi Jeffrey,

Ms. Richardson is on a leave of absence until after the end of the year. I spoke to Ms. Janice George [REDACTED] of the Dept of Health on STT and she said that the law was changed and they no longer give the test here. Dept of Health is waiting for the new rules and regs (yep, that again) so that they can administer as appropriate. I asked if she knew where one could take the test (like NYC or PR) and she said that she did not know. She is going to email me the application.

With warm regards,
Cecile

Good afternoon Lorin,

Can you kindly give me an update on whether you have completed your legal review of Erika's legal analysis? I spoke to Glendina and she said that it should have been done by this past Friday. As I explained in my text to you, we are going to lose a prime space if we do not give the landlord an answer and we can't do that unless we have a license. We would also like to begin hiring people but, again, we can't do so without the license. As Glendina stated to me, she can't issue the license without your review which is the only missing item. Can please let me know where everything stands?

Thank you.

With warm regards,

Cecile de Jongh
