I spoke to Kenny who was there last night. He said we have our security team there led by Big Swag who is 6' 8 350 pounds and they have blocked easy access on site with vehicles. They are challenging everyone who shows up outside of the curfew – they even challenged Kenny when he showed up last night. When the curfew is lifted we can see if we need more guys. The team there is very attune to the situation and they know to beef up if they need to. Its on everyone's mind and isn't being ignored.
