DISCLAIMER : The risk of loss in trading commodities can be substantial. You should therefore carefully consider whether such trading is suitable for you in light of you financial condition. As with all trading strategies, past performance is not necessarily indicative of future results. All investments in the commodity interest market should be made with risk capital only. The programs described in this presentation are only open to investors fitting the definition of a Qualified Eligible Person as that term is defined under Commodity Futures Trading Commission Regulation 4.7(a).
