Hi Lesley,

Please pass on that we are very close. The study should have final / full approval in 1-2 weeks; with analysis of his data completed in another 1-2 weeks. So please give until early Feb.

I apologize for this delay. He is delayed along with others in YPO (in fact, I will prioritize Jeff's analysis).

The second batch will not have this type of wait. It's mainly the result of being in the first pilot group.

Thanks,
Joe
