Hi [REDACTED],

By way of introduction my name is [REDACTED].

I am 23 years old and I graduated with a business administration degree with concentrations in both Finance and Marketing. Consequently, all of the skills that you ask for I am confident would not be a problem for me. I am currently living in New York City and am employed but have been looking for new opportunities. Yours is very appealing as I love working and meeting with different people, and traveling is something I love and already do frequently.

Attached is my resume along with three photos. I look forward to hearing from you and learning more about this opportunity!

Best Regards,

[REDACTED]
