Hi everyone,

Friday would be great. Thank you so much.

Please let me know if I should schedule our Barge or Boat once approved by your Supervisor.

Good Evening,

Rey, can we please plan for Friday for the install. Please let me know if this day works for you.

Best,

Greetings [REDACTED]

Just checking in with you at the end of the day to confirm that the metering department has in fact secured the meter base for you, and if Mr. Rey was able to propose a day this week for the installation.

Kind regards, Daphne
