Subject: Good morning!

Date: Wed, 27 Jul 2011 06:23:23 +0000

Tell me please as soon as possible to what time I should be ready. I appointed a meeting at work and I would like to know in advance if I have time to do it tomorrow or should I move to another day when I get back. I also have a prescription for medication to the skin and I need to buy it tomorrow has not expired. Will you do it for me? about 250.
