He would have to be retained by you to provide you with legal advice - order to talk of "their attorneys) unless you were consulting him as expert for some legal proceeding - what cannot be done without a court order is for anyone including your attys or experts then filing the video, providing it to press, or disclosing it to outside parties

The Order of 11-2-09 by Judge Hafele stated that the video deposition of LM shall not be provided to "any person who is not their attorneys (or a member of their staff) ...or an expert.

The written transcript is not included in the Order. Before you show the written transcript, I will check with Bob Critton. The portions of the written tr that show that as to LM (a) no interstate nexus, travel, force and (b) arguably no sexual act within federal statutory definition are Tr 72-3, 147, but see 416 (vaginal penetration by vibrator and finger but denies oral sex, intercourse, touching you, etc)

i agree - it is risk-free to bring excerpts to US Atty - it is high risk to turn the legal issues before J Marra into a hrg where the Jane Does testify putting the need for an open-ended intervention aside - I will be talking to Roy

I hope you got my recent emails.

1) I strongly recommend we continue and do our best to win NY Appeal. We can assess how best to deal with its aftermath if we prevail which we have a substantial chance to do.

2) I am finishing the 4 vol Tatum state depo. Protective Order requires notice/ct order to use but I have seen no Order precluding use of excerpts of written transcript. Will check with Bob. Will talk with Roy about how best to use. There is enough ugliness in her depo that we need to carefully weigh cost/benefit of putting before J Marra. Intervention, motions, filings now due 9-2.
