I think I told you that Lucie, who has worked for me for 11 years, is leaving soon. She's pregnant. NO not mine.

I hired a Lucie 2.0 that starts later this week. I would imagine that when you hire someone you have them sign a confidentiality agreement. Can I ask you to send me a copy of that agreement. It would be good for me to have Lucie 2.0 (Ashley) sign one. Wouldn't hurt you either.

Thanks
