Just flying over South Dakota....a lot of time to think.
Very happy that we have more time to hang out. It was fun.

Forgot to tell you about a job offer.

When are you leaving NYC next?
When are you in Paris next? Have some friends that you should meet.

HI

There is some emergency and Bill needs to leave immediately after our meeting at Schrodinger.
He need to be in the air at 6pm.
I am not joining him to DC as I need to stay in NYC one day more to take care of few things.

If you have time, I can meet you after my meeting at Schrodinger (at your place around 5:45pm).

Bill is thanking you for last night and says that it was fantastic.
I will let you more.

See you soon!

I never stay up that late.. thanks.. I would like you to ask Bill that though his , " man in the street " concern regarding the eventual convertibility of the foo's/ -- is the right marketing concern, BUT what is the last- resort convertibility of the DOLLAR.? NONE , it converts to nothing. It is the current world champ currency , due only to trust and confidence..contrast/ the shares of microsoft. have a judicial claim on the co's assets.
