Importance: Normal

Ok – we will plan a lunch when you arrive. I will meet you at the airport.

Then after lunch we can go downtown for a bit and head back to the airport at 3.

You plus 3, got it. (I assume excluding your pilot?)

That is a total of 4 so we will be 8 (including the pilot) in the helicopter on the way back.

Richard asked if you wanted to stay for dinner.

I was planning on having you back at the villa for lunch. Does everyone want to come over or will your guests want to go downtown and go shopping or something?

I just need to know the totals for ordering lunch.

Greg
