OK. Sorry, I was going to do a gathering. Mis-interpreted.

Edd Edwards will be in NYC on the 12th. I'd like to get Stephan Schwartz over, but he will need travel, accommodations, etc. from Seattle.

My agenda with you for the meeting on Sunday are:

- 1) I would like to set the Vive I got for you a year ago up at your place (my friend is driving up from Philly to do this).
- 2) I plan to update you on the findings over the past year including the events in Shanghai.
- 3) I would like to talk to you about my plan for identifying and researching people with "special abilities" - they fall into two categories "Qi Gong" and "Special forms of knowing". Would like to develop the research protocols for this that are rigorous (withstand scrutiny) - which is why I'd like to get Stephen Schwartz over.
- 4) Would like to talk to you about Polystery. I have a colleague of mine flying out from HK for this topic.
- 5) Want to present my plans for spending the remainder of the 73K or 58K (depending on how you want to count it given the Cuba over-runs). I've had a year or so to think about it and do the preliminary work.
- 6) Would like to plan a gathering for you in Jan in Paris.
- 7) Talk to you about Masha. I'll be seeing her in SF from the 15-20.

I will also be seeing researchers for (3) in NYC (including Zoran Josipovic and Ray Lee) on the 13th if you are still around and interested in meeting them.

Let me know if Stephan Schartz is OK. It can also come from my grant from you.
