Sorry, checked in to this for you. The Council has strict rules around interning. They would have to apply for a certain position or try next Spring to come on for the summer.
Please have them forward their resumes to me and I will put in front of HR for special consideration.
Things have not changed dramatically in my life. Should have taken your advice. Travelling and having fun as much as possible regardless.
Sounds like you still have your hands full. Hope you are well. -V
