I meant three THOUSAND square feet!! Anyway, my editor who is a genius is tweaking it ONE more time so you can hear the audience laughs (the "producer" forgot to mic them!!). Then I will send it over. It may be a "little too television friendly" for you. It actually was for me!! Ha! BS

Yeah I guess. Could be better news. I was hoping that the Special I just shot and worked on for TWO years woulda been shot better. And THAT was the SECOND time. I needed it to get more work next year. We both know how funny I am, but With no tv or movie shit going on, people our age are just not going to comedy clubs which have become the asshole of the entertainment solar system. My wife is deathly ill from HepC (and I know I joke about it, like they say - be careful What you wish for!) and had to close her business last year and now we got 20K in her medical bills and we have had insurance for years!! FUCK. WE NEED OBAMACARE,! And the house you've heard me whine about for years we are finally putting on the market because its become overwhelming. The silver lining is that I will net 500K and at least will be able to sleep at night. I would have suggested YOU buy it since you don't have a Hollywood home (and why the FUCK would you want one??) and my wife and I could be the caretakers! There's a reality show for you! But the entire house is under 3 hundred square feet and that's probably not even enough for a JE bathroom! I will send you a copy of my "Special" to the house tomw and you'll see exactly what I'm talking about. Love ya pal! Looking forward to hanging again. You're one of the few guys that still makes my life fun! Check out my daughter Natasha on the internet with her band G.R.L. And the song "Vacation." Not our kind of music but I think you'll enjoy the girls!
