I would love to hear re your trip. we can call , skype. I strongly believe that mongolia should take advantage of the fact that there is so much cash with no where to go. prices of objects have gone crazy.. paintings of 140 million diamonds of 80 houses of 250 million. People want to exchange case for hard assets. mongolia if structure properly is one of the few opportunities. The structure is not yet there.

I understand that you and the president will be in davos and then paris. in Feb. will you be staying in mongolia until then?
