Can we bring both [REDACTED] [REDACTED] (Skyping her again at 12.30 today) and [REDACTED]? Enough time for both of them?

Elena Terekhova is taking off from Moscow now - I will stay in the city sleeping at either El or [REDACTED] to spend time with Elena, maybe you could meet her too at some point?

Kunal is supposed to be voted out today - I still don't know what is going to be happen with Image one. I don't think it will be wise for me to stay any longer in CT as the parents might start to think that I don't do anything work wise. Elena Is the only important thing I have left to do - could leave to Europe anytime. Pen said he would get an apt after the refinance of Inage One - he had thought it was going to happen now. I don't think anything is happening before December at least

Arda has disappeared again!
