Home Depot has yet to reopen and no ETA as yet on when that will be. The Floor Factory folks responded and are working on our order. They have gray carpet in stock (on island) and Daphne is going to go and get the samples. We may decide that we like one of the samples and, in that event, they can install ASAP.

With warm regards,

Cecile

The issue will be installation. The installers here work with the carpet retailers so if we don't purchase it from them...
