Greetings Ryan,

Attached is the mark aerial for your review. Scope of the project is to surface this road - 15 feet wide (approximately) and 114 feet long (we are guessing that takes us to the entrance of the Gym building).

Please feel free to email or call me at [REDACTED] if you need additional information.

Kind regards,

Daphne

Good morning,

David passed along your message regarding the need for an as-built to facilitate a permit application. Can you mark the site limits on the attached aerial for me please?

Sincerely,
