Note Paul's comments regarding Rama and Dr. Trefferet and I have asked him to get the numbers. Paul said typically it's 10% of their salaries.

Hi Carolyn, Here is the non-local proposal. Note that Darold Trefferet, MD and Vilayanur Ramachandran, PhD have agreed to be part of the research team now but we've yet to receive from them what their financial requirements would be. Please let Deepak know that the budget will likely increase a bit, but we don't know how much at this time. Paul

Paul,

Deepak called and said that there is a person who is very interested in funding the Non local research project/with Diane Powell. However that person is very familiar with Ramachandran and would like him included in the research. Deepak would like you to provide a protocol and budget ASAP on the Non Local Research so he can share it. Could you please email?

Thanks!
