Thank you.

I guess it's not an emergency.. It's a constant pain, sensitive to touch, clogged and hard to ear on that side but pain is not terrible. The migraine was more painful. I'm mostly worried about it getting worse if it's an infection. Would someone just write a prescription based on the symptoms?

Dr. Desloge is completely booked tomorrow and unfortunately leaves for holiday at the end of the tomorrow...she would be happy to see Nadia when she returns on Sept. 7...Dr. Desloge did say if it is a true emergency and cannot wait, for you to please call her...but otherwise, she is happy to accommodate on Sept. 7.
