No even better, I have the local (brazilian) publisher in my pocket. So anytime I want them to shoot a girl I just give him a few k. Much cheaper this way...it wasn't going to make \$ anyway.

Meeting w [REDACTED] tonight she wants to walk around with [REDACTED] I still can't figure this chic out...but will let you know as soon as I do 😊

I sent her to Brazil to do a story for L'official. Not sure what her deal is...I guess she dates younger guys? What's that about, trust issues, needing to feel in control?

Something I can't figure out: the two times that we've been together she wouldn't eat anything, not even ice cream. It's like she's afraid to eat around me or she doesn't feel comfortable sitting across a table and talking. What we always do is walk and talk - which is actually one of my favorite things to do - so not complaining, just trying to figure her out. And then I ran into her by chance the next day and she was smoking a cigarette...which I have no problem with, but I think it's like the food thing, she won't do it around me. What does that mean? When are you back?
