T Magazine Men's Fashion

Looking for a compelling weekend read?

This weekend, we focus on the male of the species. From their everyday moments to their efforts at making history.

For our substantial Men's Style issue, we've assembled a collection of articles and photo essays that capture men from many intriguing points of view. You'll find this outpouring of exclusives available exclusively in Sunday's Times.

Inside this special issue, you'll find compelling takes on such subjects as:

Michael Fassbender, Hollywood Outsider — The actor of the moment tackles the roles of Macbeth and Steve Jobs, accompanied by a Bruce Weber pictorial.

•

The Male as Muse — Whether husbands or strangers, "Regarding Men" presents a "group show" of female artists in which men are the focal point.

•

Musicians on the Verge — Rapper Joey Bada\$\$ and Japanese acid-punk band Bo Ningen are just two of the rising stars photographed wearing coats of autumn.

•

1970s New York — Twenty-eight legends of the downtown scene gather for an extraordinary group portrait, with an article about that dangerous, electric time.

T Magazine. And the men that come with it. Available with your purchase of this Sunday's Times.
