Are there inventions/ways to stop babies from crying on planes/public spaces?

Julie Gurner, Doc of Psychology, Using skills in tech to increase productivity

4.9k votes

I once was riding a small plane, and a family with four children were also boarding....her children slept the entire time.

When I asked her the secret, she said that ever... [Read More »](#)

What were the most advanced weapon systems during WW2?

Blake Chesledon, High school student; sports, history, and political enthusiast

3.5k votes

My vote goes for this bad boy. The Gustav railway gun. Hitler ordered two to be built, but only one was finished. That was Gustav. It was the largest rifled gun ever built,... [Read More »](#)

What is the greatest impediment to bipartisan legislation?

Kevin McCarthy, Majority Leader and Congressman (R-CA), U.S. House of Representatives

I've built an algorithm that accurately predicts the movement of the price of gold. What should I do with this?

 **Christopher Sean Quigley, I teach accounting and economics at a university in China.**
345 votes

If you really have such an algorithm, it doesn't make any sense to tell anyone about it or "package and sell it." If you were to package and sell it, it would be direct evid... [Read More »](#)

Do soldiers ever "frag" or kill their officers? Why?

 **Jack Brennen**
701 votes

My great-uncle told a story to me shortly before he passed on. I obviously can't vouch for its accuracy, but I believe him. In WW2, a bunch of Marines were traveling along ... [Read More »](#)
