Fair enough. If we can't use them, we should try to postpone.

Why? If we can use all of them this year, why not take the deductions now? Unless you think income tax rates may go higher.

Projected total charity for 2017 is approximately \$18.8mm (whereas the formal commitments are \$16mm of this amount).

For 2018, the commitment level decreases from \$16mm in 2017 to \$10.5mm. This decrease is primarily a result of expiring commitments to MRA \$3mm (we should ask LDB if he is renewing this when we meet with him next week) and a decrease of \$1mm in the MSKCC commitment.

For more color:

In 2016 the total committed and uncommitted charity was approximately \$20.5mm
