..i attached here more pictures of mechanical buildings..  
those pipes doesnt look bad white, ..they just put primer on pipes and doors  
in case you want to do something else on the second mechanical building i was thinking ...pipes and doors that white  
is on the wall on the first mechanical building and the rest that light gray you can see it on the first mechanical building  
on the right top corner right next to the blue roof. its just an idea..  
..or just finish with the arches? anyway i will keep going with the arches until i get an answer from you.  
thank you
