Rich received the check from FTC with the invoices and he knew nothing about it and he came to me and asked me about it and I didn't know anything about it either. So I called Arran and asked him who approved it since there was no signature on the invoice and he told me he thinks Brice and Gary gave a verbal on it he wasn't sure. I emailed brice about it about an hour ago and he has not responded. We are holding the check here and not signing it

Thank you
