Looking for a compelling weekend read?

We invite you to stop by your nearest newsstand this Sunday and pick up an exclusive copy of a special publication of T: The New York Times Style Magazine.

Exclusive to the Sunday Times, T Magazine presents a unique and compelling series of articles that take you inside the culture of attraction, with special analysis and examination of what's trending now. Including:

The Face: Celebrating the natural beauty of women as seen through 10 of the most striking models today.

•

Ashley Brokaw: Fashion's most in-demand casting director tells how she selects the models of the moment.

•

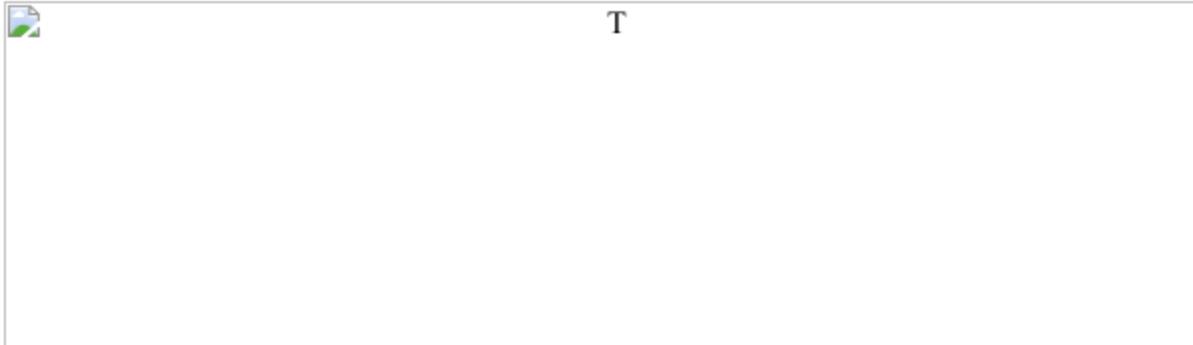

Six leading architects defend the world's most hated buildings.

•

A trip to the warehouse of Robert Rauschenberg's personal effects, where the beautiful and the curious intertwine.

T Magazine. Yours with your purchase of this Sunday's Times.
(Which, we might add, is a thing of beauty in itself.)
