---

I don't think 95 serial numbers newer equals to Engine program and 144 month. FYI on a valuation \$1.5M is given for every year.

The market is trading, we are in the midst of it.

ROP with Engine Program would be a \$22M+/- aircraft today.

5010 just sold for \$22M with 1300 hours.

Your friend is a bottom feeder and frankly is going to be screwed. Is Larry advising him too? ;-)

Alireza I.

I wanted to show you real prices , not offered prices. thats why i sent you the email from avpro to steve. . and because I trust you not to divulge his deal. . my thinking was that I think the engine program plus 144month is equal to the three years newer. so the right price for ROP is 18.5 same as 5017. both interiors need redo . before i made that bid , i wanted you to understand the thinking

Mr. Hanson,

I have communicated your offer with the bank and they are willing to accept an offer of \$19m with the 144 month as part of your prebuy inspection. If this acceptable please let me know.

ali,

they are indicating a deal at 18 750.

lower time than ROP. and on engine program, , though earlier by 3 years. . doesnt it say perlman is worth 19m?
