Thank you for inviting, we can try to manage it sometime!

The problem with my school and profession is that very often even during the weekends I have to be at school or have some appointments or concerts..so it is difficult to get the possibility to go out of the city... but anyway, I hope we can do it- I would love to see your amazing island!

Sue just came to me to see how I was feeling - she is so nice! You should definitely be very happy and pleased to have her working for you!

Whish you a wonderful day and don't forget the Debussy ;)

Yes, it is more than sufficient, thank you very much, it really helps a lot! especially now when I'm ill and not feeling good it is nice to have all works done at apartment and not have to go to IT room at school.. How are you? How is Debussy proceeding? I'm looking forward to playing it with you!

is the laptop suffiencint? I think your playing of the debussy like your life needs to be freer, . he was unihibited, rule ignoring,the music should sound elegantly rebellious. .
