WHAT YOUR NETWORK IS SAYING

Robert Trivers

[Can I sync my progress on my iPad, iPhone or iPod to my Mac? \(Mac\)](#)

You cannot sync your save data between your Mac and iDevice, even when using Game Center.

[REDACTED] Wrote this essay (long form) on the future of productivity and how the tools we use today are rapidly evolving which in turn will change the way we create products and manage teams. With the convergence of social, mobile, and cloud computing in both social and work, there's wonderful cycle in play that leads to a revolution in both management and tools. This revolution is at least as significant as the introduction of the PC.
