**Subject:** Main House - Home Theatre Upgrade

Hi, Brice

Attached is the initial Proposal for the Home Theatre upgrade in the Main House. I'm still waiting for Stewart Filmscreen to finalize the cost so we don't have to charge the retail price so I left the Screen as Pending on this Proposal. I have all of the specifications, diagrams and so on from Stewart and we should hear back from them by tomorrow with discounted pricing so we can submit that separately.

Everything else is accurate and in stock, we can receive the components within a week of placing the orders.

Please review and let me know if you would like to proceed.

Thank You,

Regards,
