Subject: Projects We Love: Bring the Fun

Date: Thu, 22 Aug 2013 18:49:36 +0000

Did you know that [4.6 million people have backed a project on Kickstarter?](#)
That means there are more people who have backed a Kickstarter project than there are people in Ireland!

MO-TO: Modern Vintage Toy Cars

MO-TO: Modern Vintage Toy Cars

By Vlad Dragusin + Candylab Toys

Inspired by muscle cars and mid-century American design, two dads set out to create a contemporary homage to a favorite childhood toy. [MO-TO](#) is just that, a collection of wooden toy cars that honors quality design and craftsmanship, and brings old-school fun to the playground.

The Heartless Machine Guide to Drawing: [fill in the blanks]

By Christopher Locke

Ernest Hemingway once said that the most frightening thing in the world was a blank sheet of paper. An art teacher in Texas hopes to alleviate that anxiety with a new notebook featuring partially drawn illustrations and a few practical lessons to get you back in the habit of drawing every day.

Zombabiez

By Stephanie Davidson

Could there be anything more terrifying than a zombie baby crawling up your leg? Probably not, and that is exactly why [Zombabiez](#), a Halloween costume designed to turn your child into a disgustingly cute zombie, is a cut above all the pumpkin and lion costumes children have been subjected to for decades.

Make a stuffed animal.
Or a film about taxidermists.
