It sadly failed to sell which is more a reflection of the market right now for French furniture and objects. We had a fantastic commode that failed to sell and also a jewel cabinet with amazing provenance that just sold on the reserve so the desk was not an anomaly.

I am so sorry. I wish I had better news.

Just so you are aware, there is a saleroom announcement which is just more information for potential buyers that came in too late to make the catalogue. Some of the mounts were older than we thought and some were a bit newer. It is not something that will change interest or bidding as it is essentially a wash.
