Dear Jeffrey,

I hope this email finds you fine.

My friend Saltanat Ibraeva is very interested to start her working path in your company as your Assistant and to develop further under your leadership.

She has recently graduated from the University in Netherlands, where she studied media and politics, with focus on researching and analytics of communication, she is a very beautiful and smart girl. Together we were doing a project as Young Ambassadors in the International Olympic committee.

I have her pictures and CV available for you.

Would you be interested to proceed and have an interview with her?

Thank you in advance for your answer and have a good remainder of the week.

Best regards,

Hi Jeffrey,

I hope you had a good weekend and some time to relax after the crazy elections-time :-)

Thank you again for your time on Saturday and for a chance to briefly introduce myself. Please, find attached more information about me in a short presentation.

Masha told me a bit about your achievements – I am very inspired about your success and would be glad to get an opportunity to help you in your current activities.

How about to talk this week?

As an alternative, Masha and I would be very, very happy to meet you in person in New York - if you invite us as guests ;-)

Thank you, and let's be in touch!

Best regards,
Olga Ponomar-Becker
