Hi Jeffrey...I Skyped with Hilary last Friday from your house! She seemed quite pleasant, bubbly and excited about the possibility of lots of travel on a moments notice. ..she looks to be about 28 and she's cute....round face...couldn't see the rest of her...She has no pets and is not married...She is a native new yorker...grew up in Manhattan. Hilary's resume shows she has been an administrative/executive assistant since Sept. 2007...I really don't know if you would like her or not! But it may be worth a Skype ;)

Attached is Hilary's resume again...

Let me know if you would like me to set up a Skype interview for you...
