actually, if I get the continuance I expect I will have it outlined for Friday afternoon - I think it impt (and see no downside) to formalizing into motion to compel - would need to learn of a very good reason why we would not push for responsible answers

Scott and Larry have the Epstein v RRA, Edwards pleadings. I can either schedule them for after Roy's return in early May or for an earlier meeting. First step is to broaden the issues, the thinking, the preparation for possible jury selection, ultimately the team. You need to at 100% with your civil team (and the extent people like myself, Alan, Roy can help when needed) without much further delay. The issues, pretrial and potentially trial, are only escalating. Will be available to help plan the next phase starting around 3 PM tomorrow
