---

Greetings Mr. Epstein,

For your review and comments, the balance of my photos for January 21, 2011:

Wall/planter at the steps below the master suite;

Swim ladder installed yesterday;

Kitchen access area stonework;

Barbeque area.

**Other information for your review and comments:**

Nanna is presently at Offshore Marine for her initial service. Nanna should be ready for pickup on Monday. Carlos and Casey will start the painting next week. It is in two parts - priming then actual painting.

Respectfully submitted,

Daphne
