what time would you like departure from NYC/WEST side pad? (East side pad is closed on weekends),.

I'll request exact flight time from AAG Helicopter.

rough estimates:

-NYC Heli Pad - Newport RI area 128nm Miles = 55min.

-Newport - Bard Collage 120nm miles = 50min.

-Bard - NYC heli pad 60nm Miles, 30min.

Jeffrey,

West Hampton airport has 9000ft runway, East Hampton airport is 4255ft runway, weather would have to be perfect for East Hampton arrival,.

Mr. Black's house address is Meadow Lane, NY,.

West Hampton airport is 18.5 miles mostly highway driving quotes 35min driving time.

East Hampton airport is 14.5 miles, driving time is quoted at 41min.

If you approve, West Hampton is safest landing airport for us, since driving distance is similar,.

is West Hampton OK?

thank you,
Larry
