Chairman,

Just updating you on the CV you sent me relating to Sergey Pozhidaev - I have had a phone discussion with him and our Russian MD has interviewed him. He is a smart young guy, though quite junior. His background is very much in commercial / sales roles.

Therefore, the thinking is that the best fit for him in our organisation will be once we close one of the projects in Russia and thus we have a business in Russia that we can bring him into rather than relocating him. Are you ok with that approach?
