Darren,

Hope all is well with you in the arctic circle that now includes New York.

A fellow call asking from the Virgins asking for a boat for St. James, I think his name was Rodriquez ? The call was for a 46' Newton that was priced at \$260,000. I can't find an e-mail address for him and come to you asking if it is a legitimate need ?

If it is, I attach a 55' Aluminum dive vessel that is in Key West. Good Condition, can travel to the Virgins right away.

It was used in the James Bond movie: " License to Kill "

The Surveyor, Reef Perkins is excellent. Was a long time harbor pilot for Key West, and I have known him for a few decades..
