Private or charter aircraft travelers have the option of using private use airports. There are no private airstrips in Palo Alto, but five are located within 30 miles of the city center. Moffett Federal Airfield Airport (no website; Airfield M/S 158-01, Moffett Field; [REDACTED]) is the closest to Palo Alto, located five miles east in Mountain View. Other options include Las Trancas (no website; 3564 California 1, Davenport; [REDACTED]), Bonny Doon Village (no website; 8647 Empire Grade, Santa Cruz; [REDACTED]), Little Hands (no website; 18320 Bollinger Canyon Road, San Ramon; [REDACTED]) and Meadowlark Field (no website; 4300 Greenville Road, Livermore; [REDACTED]). Private use fields require approval before landing or takeoff.
