I don't understand why you are being so cruel to me. I'm doing my best in school, exercising, trying to make you happy all the time, always thinking of you and asking you if you are ok. Instead, you never asked me once how I was feeling, you totally disappeared when I needed the most help and then the only thing you ask me is "take nude selfies for me" ??? You can't imagine how much you just hurted me. It made me feel sick...
