Hi Jeffrey,

I hope you are well. Attached are the updated public profile sites that you are on. I will be adding more photos to them tomorrow. You are now on about 10 of them now.

next on list for this week:

- could we get a specified pitch from Reputation? I would have to give your name though.
- handling wiki again tomorrow
- more photos from Cecile.
- more newsworthy info from Cecile-
- setting up a homebase website and link to all public profiles.

The last three will augment all of your public profiles.
